**ORDER ADOPTING REPORT AND RECOMMENDATION  
OF THE UNITED STATES MAGISTRATE JUDGE**

Petitioner Bobby Ray Turner, Jr., a Texas Department of Criminal Justice inmate proceeding pro se, filed this federal petition for a writ of habeas corpus pursuant to 28 U.S.C. § 2254. The petition was referred to United States Magistrate Judge John D. Love, for findings of fact, conclusions of law, and recommendations for disposition.

On March 18, 2021, Judge Love issued a Report and Recommendation recommending that the Court deny the petition and dismiss the case without prejudice because the grounds for relief are not cognizable under habeas corpus. Docket No. 5. A copy of this Report was mailed to Petitioner, and he received the report on March 23, 2021. Docket No. 6.

This Court reviews the findings and conclusions of the Magistrate Judge de novo only if a party objects within fourteen days of service of the Report and Recommendation. 28 U.S.C. § 636(b)(1). In conducting a de novo review, the Court examines the entire record and makes an independent assessment under the law.

*Douglass v. United Servs. Auto. Ass'n*, 79 F.3d 1415, 1430 (5th Cir. 1996) (en banc), *superseded on other grounds by statute*, 28 U.S.C. § 636(b)(1) (extending the time to file objections from ten to fourteen days).

Here, Petitioner did not object in the prescribed period. The Court therefore reviews the Magistrate Judge's findings for clear error or abuse of discretion and reviews the legal conclusions to determine whether they are contrary to law. *See United States v. Wilson*, 864 F.2d 1219, 1221 (5th Cir. 1989), *cert. denied*, 492 U.S. 918 (1989) (holding that, if no objections to a Magistrate Judge's Report are filed, the standard of review is "clearly erroneous, abuse of discretion and contrary to law").

Having reviewed the Magistrate Judge's Report and the record in this case, the Court finds no clear error or abuse of discretion and no conclusions contrary to law. Accordingly, the Court hereby **ADOPTS** the Report and Recommendation of the United States Magistrate Judge (Docket No. 5) as the findings of this Court. This petition for habeas corpus is hereby **DENIED** and this action is **DISMISSED WITHOUT PREJUDICE** to Petitioner's right to bring his claims via the proper avenues. The Court **DENIES** a certificate of appealability as to an appeal of this case.

So **ORDERED** and **SIGNED** this **3rd** day of **May, 2021**.

  
JEREMY D. KERNODLE  
UNITED STATES DISTRICT JUDGE
